Self-Care for Clergy Program Coming in Sept & Nov

Clergy are often exhausted by the demands of being in ministry. They fail to say "no" once in a while to the many demands of the congregation and community. They fail to take time to recharge their "batteries." Continual giving takes its toll over time. The Self-Care for Clergy Workshop is designed to provide a break from day-to-day responsibilities and allow for reflections, reviving and renewing the spirit and potential that effective ministry requires. There are two programs from which to choose:

New On-Line Resource for Annual Conference Memoirs

The General Commission on Archives & History announces the online availability of the ***Index to the Conference Journal Memoirs***. Over the past 15 years, GCAH has created an index to the memoirs and rolls of the dead found in annual conference journals held in its collections. This includes a memoir for each deceased clergy member of the conference, often the deceased spouses too, missionaries and deaconesses. The last major update to the ***Index*** was in 2000

when all of the journals up to the year 1968 had been entered. The **Index** is now current to 2000 for almost all annual conferences based within the U.S. The database version will no longer be supported. As more names are added to the **Index** they will be immediately available through the online version. Access the **Index** at <http://archives.gcah.org/exist/memoirs/memoirs.xq?show-form=yes>.
