The service was live streamed for the many who were unable to be present. That video is now available on the church website at <http://www.firstmethodistgrapevine.org/worship/archive.html>.

One Great Hour of Sharing — April 3

One Great Hour of Sharing is one of the six churchwide Special Sundays with offerings of the UMC. OGHS enables the UM Committee on Relief (UMCOR) to live out its mission to alleviate

human suffering. UMCOR is the humanitarian arm of the UMC. OGHS gifts underwrite UMCOR's "costs of doing business," meaning that every penny of every gift you make to a specific UMCOR project will be spent on that project—not on office administrative costs. This enables UMCOR to respond to natural or human made disasters. The OGHS offering makes ministries available in the United State and across the globe. In 81 countries in all, you assure the UMC is in the lead to alleviate suffering through OGHS.

Jesus teaches us to bring healing and restoration wherever we can. That's what you and your congregation do through the work of UMCOR. Join UMs everywhere by encouraging your congregation to participate in the special offering that supports UMCOR's vital work. Your gifts to One Great Hour of Sharing lay the foundation for UMCOR to bring restoration, healing and hope for tomorrow. Call 888-346-3862 today to order envelopes and other resources so your congregation can participate in this churchwide offering. They will be sent at no cost to your church! News Briefs — The Denomination

Mission never stops...10-Fold continues

A core goal of sustainable agriculture is teaching farmers in some of the harshest parts of the world methods to better feed their families and communities, while protecting the lands on which they live. These projects are sponsored by the UMC's General Board of Global Ministries and supported by dollars raised through The Advance. Help spread the word to your congregation that the next 10-Fold online event will shine a light on the church's efforts in working directly with farmers to put an end to hunger and malnutrition.

On Thursday, March 10, throughout the day, Judith Santiago will share stories of farmers who are becoming agents of transformation by learning new ways of working with the land, new crops to grow, and techniques to pass along their knowledge to other farmers. There will be a live update at 12 noon with an opportunity ask questions, or you can chat all day long with others who are interested in this project. To participate in this online event, go to www.10-fold.org/live. Each month, 10-Fold.org will feature a different Advance project and we will hear from people closely involved who will report on the progress that is being made around the world. Check back regularly to learn more.

Anonymous Donor Gives \$100,000 to Special Seminary Scholarships Fund

A UM elder, who has a long history with the General Board of Higher Education & Ministry, and his wife have donated \$100,000 to the Special Seminary Scholarship Fund to help those seeking ordination in the UMC. "I was able to graduate from seminary with no debt because of scholarships, and my wife and I wanted to help others do that," he said. They asked that the donation remain anonymous. "Those who enter ministry without significant debt are better prepared to focus on their work, and I believe a seminary education is critical for ministry," he

said. "My wife and I have been blessed, and we wanted to share the gifts that we've had with others." The donor said that during his work with GBHEM he had often read scholarship applications and really wanted to support the work that is done through the Office of Loans and Scholarships in helping educate the future clergy of the church. James Harding, interim executive director of the Office of Loans and Scholarships, said the income from the donation will generate enough funds for two additional \$2,000 scholarships each year.

Texas Faith Leaders Call for "New and Gracious Tone" in State Immigration Debate

More than 40 bishops and other senior leaders of faith groups have called for "new and gracious tone" as the Texas House begins hearings. Leaders of Texas' Christian denominations joined with Jewish and Muslim clergy in calling for compassion and mutual respect as lawmakers opened public testimony on a series of bills that would impose new state sanctions on undocumented persons, require proof of citizenship for an array of activities, and remove the authority of police departments to prioritize public safety over identification of possible undocumented immigrants. These faith group leaders from throughout the state endorsed the "Texas Interfaith Leaders' Statement on Immigration." Together, the leaders represent more than 10 million Texans.
