- **Self-Move** – The Self-Move plan will normally consist of the pastor paying the initial bill and being reimbursed the actual expenses up to a maximum of \$2,500. Proper documentation of receipts for the cost of van rental, gasoline, boxes, tape and packaging material and \$2.00 per mile must be submitted to the Conference Treasurer before receiving reimbursement.
- **Commercial Move** – Whether you interview and hire your own commercial moving company, pay the bill and turn in receipts for reimbursement or use one of the commercial movers from the list we supply that will bill the Conference, makes no difference. Upon receiving the invoice from the moving company or receiving the receipts from you, the Conference will pay for the commercial move up to a maximum of \$2,500 of actual moving expense. The Commercial Move includes the cost of the movers and cost for boxes, tape and packaging material not to exceed the total of \$2,500.

In either case any expense above the maximum of \$2,500 will be the responsibility of the pastor.

In no case will the Conference pay more than the actual expenses incurred, up to a maximum of \$2,500 for a move.

Method of Payment

1. A list of movers that will bill the Annual Conference is below. All expenses that are within the Annual Conference Allowance will be billed directly to the Annual Conference by those moving companies. If a moving company is used that will not bill the Annual Conference directly or the clergy chooses a self-move, then the moving clergy/family is responsible for the bill and will be reimbursed by the Annual Conference for all documented expenses that are within the Annual Conference Allowance. Any documented expenses paid by the moving clergy/family are to be submitted to the Annual Conference Treasurer with a completed moving expense form within **sixty (60) days** of the appointment. The Conference Treasurer shall issue payment to the moving company or the entity that incurred the expense.

Moving Procedures

- 1) **Receiving DS** gives to the clergy the Moving Packet which includes moving companies that will bill the Annual Conference, and other pertinent moving information.

- 2) **The Pastor/Staff Parish Relations Committee of each charge which is receiving a new pastor** will appoint one of its members to serve as Moving Coordinator who will coordinate the move with the incoming pastor and work to facilitate the easiest and most pleasant move possible. At the introductory meeting between the Pastor/Staff Parish Relations Committee and the new pastor, the Moving Coordinator will be present in order to be introduced to the pastor.

- 3) **The Clergy.....if using a commercial mover**, should get estimates from at least two moving companies of his/her choice and chooses the one he/she wishes to use. The clergy contracts with the company of choice to move them and send the bill to the Annual Conference Treasurer. If the estimate is over \$2,500 the clergy will send a check to the Conference Treasurer for the amount over the \$2,500 limit with a copy of the original estimate and the completed reimbursement form. If the company is one that will not send a bill to the Conference for payment, he/she can work out payment with the Annual Conference by having the mover call the Conference Treasurer at 817-877-5222 or pay the moving company and submit the completed reimbursement form and documentation of expenses for reimbursement.

- 4) **The Clergy.....if choosing a self-move**, keeps all their receipts for the cost of van rental, gasoline, boxes, tape, packaging material and \$2.00 per mile and turns in the completed reimbursement form and required documentation to the office of the Central Texas Annual Conference Treasurer within sixty (60) days of the effective date of the appointment for reimbursement.

RE: Income Tax Treatment of Moving Expenses for United Methodist Clergy

Please see the attached memo from the Legal Department of the General Council on Finance and Administration of The United Methodist Church regarding the income tax treatment of moving expenses for United Methodist pastors. It provides information related to the tax consequences of the Conference Moving Program for our pastors.

Many conferences shift the burden of paying the moving company directly to the local church, which facilitates the reporting of non-qualified moves to the salary paying unit which issues the W-2. Although the local church is the salary paying unit which issues the annual Form W-2, the policy in the Central Texas Annual Conference is that the moving expense payments are issued from the Conference office rather than the local church. Therefore, this is to inform you that the Annual Conference will issue a 1099 MISC rather than a W-2. The 1099 MISC will include the total paid on behalf of pastors for whom the move is not "qualified." If the move is "qualified," no 1099 MISC will be issued.

A move is not qualified if the new church is less than 50 miles farther from the former residence than the previous church. In addition, a retiring pastor's move is not qualified because the pastor is not moving to a new job. See the GCFA memo for a discussion of "qualified" and "non-qualified" situations.

Re: Income Tax Treatment of Moving Expenses for United Methodist Clergy
At The Local Church

Date: September 2001

REQUIRED CONDITIONS FOR EXCLUDING EXPENSES

Local churches, annual conference and other entities that pay directly or reimburse ¹ “qualified” moving expenses to clergy may treat these payments **as exclusions from the income** of the recipient. In these cases only, the payer will **not** be required to report taxable income. In all other cases of payments for or reimbursement of moving expenses, such payments will be considered taxable income under Section 82 of the Internal Revenue Code, which requires that moving expense reimbursements be included in gross income for reporting purposes.

WHAT ITEMS ARE ‘QUALIFIED’

“Qualified” or deductible moving expenses include only (1) the reasonable expenses of moving household goods and personal effects from a former residence to a new residence, provided that the new place of work is at least 50 miles farther from the former residence than the previous job site, (2) the cost of storage and insurance for household goods and personal effects within any consecutive 30-day period after the day things are moved from the former residence and before delivery to the new residence, and (3) the reasonable expenses of travel (including lodging) from a former residence to a new place of residence. Expenses of only one trip (per person) may be deducted but all members of the household need not travel together. The cost of meals, pre-move house hunting expenses, temporary living expenses, are **never** qualified expenses and as such are considered taxable income if reimbursed.

¹ Reimbursements must be pursuant to an accountable reimbursement policy. To be an accountable policy or plan, expenses allowed must be the type for which deduction is allowed, had the taxpayer paid the expense personally. Such expenses must be documented and accounted for within a reasonable time. Prepayment of excess reimbursement must be returned within 120 days of the date incurred or paid.

SUMMARY OF REQUIREMENTS

In addition to those items stated above, the required conditions for the moving expenses adjustment are:

1. The move must be made to a new principal place of work.
2. The new job site must be at least 50 miles farther from the former home than the previous job site.
3. The moving expenses incurred must be within a “reasonable time” of the start of a new job, generally construed to be no more than one year later (but sometimes expandable if circumstances indicate a longer period would be reasonable).
4. The work at the new location must continue for a certain period. The general rule is that the individual must work full time for a least 39 weeks during the first 12 months after the move to the new location.

There may be circumstances under which this time period test is suspended such as death, disability or involuntary transfer from employment at a new location. Additionally, if the individual is married and files a joint return, either spouse may satisfy this time test, but the couple cannot combine their weeks of work.

5. Qualified clergy moving expenses paid **directly** to the moving company by a salary paying unit (or employer) will not be reported. Qualified moving expense reimbursements paid directly to an employee pursuant to an accountable plan are not reported as income, but are reported as an informational item in box 12 of Form W-2 and are identified under Code “P.” Other moving expense payments or reimbursements (non-qualified expenses) are reported as income in Box 1.
6. Assuming the allowable moving expenses are reimbursed by the employer pursuant to an accountable reimbursement arrangement, the employer reimburses **only** those expenses that are qualified and that are properly substantiated.
