Media Library Feature Now Available at www.ctcumc.org

A Media Library for audio, video and still photos is the latest feature to be added to our conference website, and we're asking you to post items you would like to share about ministries in your local church. Click on the "Media Library" menu item on the right side of the page and follow the instructions. It would be best to keep the video clips relatively short and to be judicious about the number of photos from a single event. We ask that all material be consistent with UM values.

THANK YOU to All the Churches that Played Bishop's Video Last Sunday

A large number of churches were gracious enough to play Bishop Lowry's 4:57-minute video April 25 as part of the UMC's official kickoff day for the Imagine No Malaria campaign. For those who have not seen it, it is on the new Media Library at www.ctcumc.org. Imagine No Malaria has been designated as our 2010 CTC Annual Conference offering. We raised \$135,276 with the Nothing But Nets Annual Conference offering in 2007, resulting in 13,527 bed nets now providing protective coverage for families in Africa! Imagine No Malaria is the next step in the goal of ending suffering and death from this preventable disease. It continues to include bed nets, but expands into other areas of prevention, treatment, education, and communicating life-saving information. Our conference's minimum goal with the 2010 Annual Conference offering is the equivalent of \$1 for every member of this conference — about \$164,000.
