Two Events Focus on the Faith Development of High Schoolers – Young Adults:

College Preview Day for High School Juniors/Seniors — Sept. 12

Making the right or wrong selection of a college/university can spell success or disaster for a student. And knowing how to access student scholarships and/or loans can make a huge difference for families anticipating that expense one or two years down the road. **The 2009 College & University Preview Event**, scheduled for 10 a.m. to 2 p.m. Saturday, Sept. 12, at the Methodist Children's Home gym in Waco, is designed to help both junior/senior high school students and their parents maneuver through the process of:

- making the right selections for an individual student,
- accessing information and financial resources, and
- making contact with campus ministry groups.

Nineteen colleges and universities from across a multi-state area have been invited to participate along with four seminaries and campus ministers/chaplains from UM and other schools. They will be present to answer questions for students and their parents. Plan to participate.

Who Will Your Church Send to Exploration 2009? — Nov. 13-15

Video available on YouTube and on DVD – contact www.gbhem.org/exploration to order a copy.

Exploration 2009 (Nov. 13-15 at Dallas Sheraton Hotel) is a three-day event for high school seniors to young adults age 24 to hear, discern and respond to God's call to ordained ministry and to explore their gifts for service as a deacon or elder in the UMC. If you have sensed that God might be calling you to ordained ministry, wondered what ministry in the UMC is all about, would like some help sorting through the issues surrounding a Christian vocation, or want to find out more about UM seminaries and theological schools, this gathering is for you. **Often times church leaders and people in the congregation are the first to encourage this path to students who they discern as having special gifts and may be struggling**

with how God is calling them. The cost of \$150 includes the hotel room and conference, a fee that churches might want to cover for their participating member(s). Details: www.gbhem.org/exploration.
