## News Briefs — The Conference

### **CLERGY ONLY: E-mails on CTC Website**

Some pastors have asked for the conference to reveal clergy email addresses on the conference website (rather than the hidden link system) to make it easier for those who do not use an email client like Microsoft Outlook, Mozilla Thunderbird, Apple Mail, etc. to send email. There are advantages and disadvantages to changing the system. Please take a moment to read about the downside of exposing the addresses and vote on your preference at <http://ctsites.brickriver.com/surveys/TakeSurvey.aspx?PageNumber=1&SurveyID=p2KMm96>. You will be required to give your name and email address as part of the survey.

### **Congratulations to Davis Memorial!**

Davis Memorial UMC has been selected as the General Board of Discipleship's Church of the Week on the GBOD website ([www.gbod.org](http://www.gbod.org)). See a photo and learn more about Davis Memorial, which, by the way, has adopted summer hours of 9:15 a.m. for worship and 10:30 for Sunday school. This will be in effect through September 19th.

### **4 People You Should Talk to About Imagine No Malaria**

Many of our conference churches have committed to helping in the denomination-wide campaign to stop the spread of malaria in Africa and the deaths of so many thousands of children from this dreadful preventable disease. The latest INM online newsletter offers the "4 People You Should Talk to About INM." You can read about it at [www.ctcumc.org](http://www.ctcumc.org) and click on the Imagine No Malaria banner (Children's lemonade stand) in the lower right corner.

### **A Great Day of Singing**

[www.tinyurl.com/GreatDayofSinging](http://www.tinyurl.com/GreatDayofSinging)

This really should be under the "Resources" heading, but we didn't want you to miss the concept for summer worship when the choir is on vacation that comes from Dean McIntyre, director of music resources at the General Board of Discipleship. For many years it was traditional for Methodist congregations to have an all-singing service in the summer, usually coupled with a picnic afterwards. Here is such a musical service, highly adaptable for your own circumstances. No choir needed. Or use it around Labor Day or when the choir returns after its summer break.

### **Update on Centennial Celebration — Oct. 23**

The Aug. 6 issue of *Central Link* has a listing of the still-existing churches that were formed prior to the 1910 division of the Northwest Texas Conference, which gave birth to the Central Texas

Conference. In an attempt to identify those churches that hold our roots — the foundation of our history — Central Link drew from a sketchy listing of churches made in 1970 by the General Church and then checked with unofficial church historian Rev. Michael Patison. Please forgive any inaccuracies. The old printouts were sometimes difficult to read, names were incomplete and multiple dates for some churches. If there is an inaccuracy or an omission for your church, please send your correction to [Carolyn@ctcumc.org](mailto:Carolyn@ctcumc.org).

### **John Beckling, III Shares New Vision for Chrysalis Journey #16**

The CTC Chrysalis Journey #16 will be Aug. 19-21 at First UMC in Early (Brownwood District). This is an Emmaus program for young adults ages 18-28. John Beckling, III, the lay coordinator for Chrysalis Journey #16 is asked for prayers for the resumption of this program and “for our caterpillars.” If you have any questions, please contact Beckling at [utachristianguy@yahoo.com](mailto:utachristianguy@yahoo.com).

### **Online Safe Sanctuary Training Available in Mid-August**

The CTC now has an online Safe Sanctuaries Training for local church leaders and volunteers who will be working with children, youth and vulnerable adults. This course is not meant to replace the local church’s face-to-face training. Rather, it is hoped that this will be an option for those who, for any reason, are unable to attend the regularly scheduled training a local church provides. The conference estimates that it will require about four to six hours to complete the online training, but those who wish to complete their training online will have up to one month to complete it at their own pace and on their preferred schedule. Upon completion, the participant will be able to print a certificate to present to their Safe Sanctuaries coordinator or the equivalent in their local church. The person who chooses this training will need the book *Safe Sanctuaries* by Joy Melton to be able to successfully complete it. Most local churches have this book, but it can be purchased through the Cokesbury store or at [www.cokesbury.com](http://www.cokesbury.com). The first scheduled opportunity to take the **online course will begin on Aug. 15**, and it should be completed by Sept. 15. For more information, contact Karen Granderson at 817-877-5222, 800-460-8622 or [Karen@ctcumc.org](mailto:Karen@ctcumc.org).

### **Are You a Potential Centennial Church?**

Tapping into this year’s centennial theme — the 100<sup>th</sup> anniversary of the CTC — a “Centennial Church” will be a designation given to congregations reaching certain achievements and will be celebrated at the 2011 Annual Conference June 5-8 in Waco. Check out the revised Point System list and other details at [www.ctcumc.org](http://www.ctcumc.org). Between Sept. 1, 2010 and May 1, 2011, a church may select challenges from the list and will receive the designation of Centennial Church with a score of 100.

Following that presentation, participants may choose up to three workshops on curriculum for the local church. Each of the workshops will provide information and resources that local church leaders can use to provide excellent training for parents and leaders who want to raise healthy, happy, responsible children. ***The Best Question Ever: Learning to Foolproof Your Life.*** Andy Stanley. Can a simple question foolproof your life? When it comes to sorting out the complexities of life, only wisdom can reveal the best path. Let's face it — we've all made some pretty dumb decisions in our lives. There's money we wish we had never spent, relationships we wish we had never started, and perhaps a few invitations we wish we had never accepted. Unfortunately, we can't do anything to reverse the bad decisions of the past. But there is certainly no reason to repeat them either. This 6-part DVD and study guide focuses our attention on one crucial question that has the power to goof-proof our decision making from this point forward. In *The Best Question Ever*, Andy Stanley effectively teaches the practical and lasting value of simply asking this question about our actions in all of life's arenas: What is the wise thing for me to do, in light of my past experience, my present circumstances, and my future hopes and dreams?
