2011 Spring Storms (Flooding & Tornadoes)

A message from Rev. Laraine Waughtal, CTC Disaster Response Coordinator:

We know many want to help with the Spring Tornadoes that have affected a number of states. Currently, trained ERT's (Emergency Response Teams) are responding to the area to help make it safer for others to arrive and help. This will be a long clean-up and rebuild process so there will be plenty of opportunities for all people to help. Please keep in touch with E-Link and the [conference website](http://www.ctcumc.org) to see when these states will be inviting mission teams to come and start the rebuilding process.

In the meantime, UMCOR is responding to the needs of all those affected by these storms. Donations can be made to the **2011 Spring Storms UMCOR Emergency Advance #3021326**. One hundred percent of your gift will go to the victims. Send your donations to your local church, who in turn will remit this money to the conference service center. On your remittance form, please use fund **#529**.
