

2013 Annual Conference Youth Choir Participation Survey

There will be a conference-wide youth choir participating in the opening worship service of the CTC Annual Conference meeting, Sunday, June 9, and your talents are vital to its success. Even if your church does not have a youth choir, you and other youth from your church can still participate. Those who wish to participate are asked to arrive at Arborlawn UMC in Fort Worth at 1 p.m. on Sunday, June 9 in order to rehearse the songs and choreography. Everyone will need to take care of their own transportation, housing and meals – except the Sunday evening meal, which will be furnished. To help facilitate the planning for this event, please fill out the following information and return it to Dean Posey by Friday, April 5. You can fill out the document online, save it and attach it to an e-mail to church@fumcazle.org or you can print and mail it to Dean Posey, 200 Church Street, Azle, Texas 76020.
