

SAFE SANCTUARIES

Reducing the Risk of Abuse in the Church for Children and Youth

To insure that the whole team is safe, all team members must complete Safe Sanctuary Training provided by their church, as well as a complete background check. Everyone needs to understand that children and youth will be around the team all the time. Therefore, we must follow the rules to protect our team members against accusations by people at the host site as well as protect the children who are around. Please get this form filled out by the appropriate person(s) at your home church and turn into your team leader.

Questions: Contact Rev. Dawne Phillips, Kenya Mission Team Leader and Central Texas Conference Director of Missions, 817.877.5222 or dawnephillips@ctcumc.org.
